

Be an Actuary!

#2 on the list of best jobs in 2012 -
CareerCast.com

Are you planning to be an actuary? Have you ever wanted to explore the possibility of being an actuary? If so, don't miss this opportunity!

Drew Tindall graduated from IPFW in 1999 in the Actuarial Science option and is now a Senior Vice President at Swiss Reinsurance Company (Swiss Re) in Fort Wayne.

He will talk briefly about what it is like being an actuary, what it takes to be employed as an actuary, and what you must do to be successful as an actuary. He will then answer any questions you have.

There will be **free** pizza and pop for those who come.
