January 6, 2012

Dear Math Alum,

This year the annual alumni dinner will be held on Saturday, February 25, and it’s special!

First, it is the **tenth** annual alumni dinner. As usual, there will be a social hour with cash bar starting at 6 p.m. The dinner, catered by Catablu, will start at 7 p.m.

Second, it will be held in the new IPFW Alumni Center across the river from Kettler Hall.

Third, the after-dinner speaker will be Prof. Frederick, recently retired math faculty member, who will speak about his passion for photography.

Fourth, preceding the dinner there will be an optional opportunity to tour the newly completed Student Activity Center. We’ll gather at 5:30 p.m. in the Walb Student Union on the first floor near the information desk. You can park near the union and then drive to the Alumni Center after the tour.

If you aren't a regular, perhaps you would attend if you knew someone else would be coming. So, if there are other math grads that you're in touch with, why don't you mention this to them and get a table together? Or, if you've lost touch, we might be able to help you do that. Although we can't supply you with addresses, at your request we could let them know that you would like to see them there.

Please return the enclosed response form in the envelope provided by February 15 at the latest.

If you have questions, feel free to call Doug Townsend at (260) 481-6114 or send an e-mail message to townsend@ipfw.edu. You can also see Updates (and other news) regarding the occasion on our math alumni facebook page: facebook.com/ipfwmathalumni.

We hope to see you on February 25!

Sincerely,

Lowell Beineke              Doug Townsend
