

PI Math Club
is pleased to present a talk by

Dr. Adam Coffman
IPFW Department of Mathematical Sciences

The title of his talk is

“Geometry in Perspective”

Professor Coffman will demonstrate some of the mathematics behind the art of representing three-dimensional objects in two-dimensional drawings or photographs.

Wednesday, November 13, 2013
at noon
in KT 216

Free pizza and pop following the talk!

Open to all interested students.
