Troubleshooting – If the Purchase Is Unsuccessful

If you encounter errors, contact DigitalEd customer service at 1-833-450-2211 or email support@digitaled.com.

1. If you own a credit card and the purchase is not successful, call your credit card company. The credit card company may have stopped the purchase to protect you, thinking your card was stolen. Möbius is a purchase from Canada, so it is not unreasonable that this small purchase may be suspicious to them.
2. Most debit cards are accepted but a small number have been known to have issues. You may try to call customer service at 1-833-450-2211 to give them your card number over the phone. If you do not have a credit card, then you could
 - find someone who has a credit card and pay them cash to purchase the code on your behalf;
 - go to <http://www.paypal.com/> to set up a way to digitally transfer funds from a bank account.
3. In addition to contacting DigitalEd customer service at support@digitaled.com or calling 1-833-450-2211, you can also email ehwtechsupport@pfw.edu and describe the problem.
