

**PI Math Club** and **Pi Mu Epsilon** Math Honor Society  
are celebrating **Indiana's Bicentennial** with a talk by

**Dr. Andy Downs**  
IPFW Department of Political Science

## **“When Math Mattered in Indiana”**

Math and politics collided in Indiana in 1897. The result almost was a new way to square the circle.

**Wednesday, December 7, 2016**

**at noon**

**in room KT 216**

Free pizza and pop for PI Math Club members following the talk.  
(\$1 for non-members)  
Open to all interested.
