

HEL HOMEWORK 2

1. What is meant by an “**unabridged**” dictionary?
2. The OED and Merriam-Webster both list their definitions according to **historical order**.
What does that mean?
3. What order does the American Heritage Dictionary list definitions?
4. What does the “earliest attestation” of a word refer to?
5. What is the significance of Samuel Johnson in the history of lexicography?
6. Which English dictionary contains all the words in the English language?
