#### COURSE REQUIREMENTS:

1. Daily attendance and vigorous participation in class
2. Regular homework assignments
3. Frequent quizzes testing memorization of Latin vocabulary, morphology, syntax and reading comprehension
4. 3 exams and Final examination

#### ATTENDANCE POLICY:

This course is based in active participation; as a result, attendance in class is essential.

- Leaving class early will count as an absence.
- Sleeping in class will count as an absence.

Regardless of cause, **you are responsible** for all work missed during absences, including changes to the class schedule announced in class.

Students who miss the first day of class are required to hand in a signed Syllabus Contract before Wed, Sept 4. Failure to do so will result in a failing grade for the course.

## ASSIGNMENTS:

Engrave the following on your brain:

- **I do not accept any late work**
- **Grade for late work: 0**

Give yourself plenty of time and leeway to get your work done and to deal with bumps in the road should they occur. Pretend, at least for this class, that you are operating in the real world.

We will have two exams and a final.

We will also have regular quizzes. **Quizzes cannot be made up.**

## STUDENTS WITH DISABILITIES:

In accordance with University policy, if you have a documented disability, you may be eligible to request accommodations from the office of Services for Students with Disabilities (SSD). Students with disabilities are entitled to reasonable accommodations and should have equal access to learning. If you have any questions or you believe you need accommodations, contact the SSD office, Walb Union 113, Phone/TTD: 260 - 481 - 6657 <http://www.ipfw.edu/ssd/>

Keep in mind that accommodations are not retroactive so it is best to register **as soon as possible** so that timely arrangements can be made.

### **FOR ALL STUDENTS:**

No **retroactive** accommodations can be made. If you feel that you have an issue which may affect your ability to succeed in this class, you must come see me **before** you've defaulted on the class. Hopefully, any issue can be resolved, but no issue can be resolved after the fact.

### ACADEMIC HONESTY:

#### **USING ANOTHER PERSON'S WORDS OR IDEAS WITHOUT ATTRIBUTION IS PLAGIARISM.**

Plagiarism will earn you an **F** for the course, and possible expulsion from the University. If you borrow an idea or quote from another author, you must cite where you found the material. If you have any questions about citing sources, please **\*\*ASK\*\*** before your turn in an assignment. I am happy to help, or visit the Writing Center.

### LAPTOP/iPad policy

Recent research has shown that laptop use in the classroom can not only negatively affect students' learning, but it can also negatively affect the learning of those students sitting around you. This is not a lecture/note heavy course. Therefore laptops and other devices will not be allowed in class without my explicit permission. If you feel that the use of such a device is essential to your success in this course, please discuss the matter in private with me. I may ask that you write a formal petition explaining why. I will evaluate such petitions on an individual basis and if necessary, present such petitions to the class to be voted upon.

### CONCERNING TEXTING IN CLASS

Texting (or any other use of a phone/device) during the class period will result in a **failing grade** for the course.

### SCHEDULE:

The most up-to-date schedule of readings and assignments can be found on the class WIKI:
