

## MA 15300 Summer 2014

Here is a summary of what has been assigned for Week 1:

- Introduce yourself to the class in the forum.
- Read the Syllabus and General Course Information
- Use the guest login and password to login to eHW, click on the link **R U Ready for MA 15300?** and take the assessment *Math Background Needed Before You Take MA 15300* . This score counts toward your participation grade. (Unlimited attempts allowed! Your highest score counts.)
- Take the Pre-Course Survey if you haven't yet.
- Purchase an E-HW Code and complete E-HW0 *Using eHW and General Course Information* by Sunday, May 25 (Unlimited attempts allowed! Your highest score counts.) You will need an e-HW access code that you have purchased in order to complete your graded assignments.
- Complete the Videos and Homework for Week 1:
  - Watch the videos and submit responses. Since Video 09 and Video 10 were uploaded late in the first week, you need not complete them until the end of Week 2.)
  - Complete E-HW 01 *Topics from Chapter 1* due **Tuesday, May 27**. (Unlimited attempts allowed! Your highest score counts.)
  - Complete E-HW 02 *Sections 2.1 and 2.2* due **Friday, May 30** - extended since the videos for 2.1 and 2.2 was posted late (Unlimited attempts allowed! Your highest score counts.)
