

03/20

What is the physical measurement of single color (monochrome)?

What's the relationship of wavelength and color?

Visual effect of a color and color mixing:

Spatial,

Color addition: RGB / RYB

Single wavelength

03/25

Visual response to colors:

Eye structure,

Spectrum

RGB / LHS

Filters

03/28

Using of complementary colors for 3D effects.

3D pictures and their characters with binocular disparity:

Direction of moving,

Distance of color separation and 3D depth

Color utilization
